1ST BURTON HOLMES LEGTURE PERLAPELPHAT LEADING THEATRES, I Burton Holmes began his annual series of photo stories of travel, known as the travelogues, with "Freeest-Day Peking" as his subject last night at the Academy of Music. Mr. Holmes was in Peking last summer and has brought back a picture story of this wonderful city. He shows an unusually large number of artistically colored lantern alides, as well as an unusually large and interesting collection of original motion pictures. Holmes will give "Present-Day Peking" again this afternoots.

Nora Bayer Career Nora Bayes, the comedianne, who

comegracter of Rey.
Thurlow Bergen, appearing with Marjorie Rambeau in "The Goldfish," if ilm from member of the famous old Bergen famDixon illy, of New Jersey, which gave its squin in the frame to Bergen's Point and other localities. He was born and brought up it fail in the squin in the still regards as his home city. His father f, in was a lawyer; his great-grandfather, his grandfather and three uncles were all Methodist Episcopus itergymen.

As a boy Bergen took part in tent is yow which he and his chums organized, doing acrobatic stunts and even it by the town which he had his chums organized, who may be the company as an understudy. On the first valved induced her to take a place in his company as an understudy. On the first valved induced her to take a place in his company as an understudy. On the first valved induced her to take a place in his company as an understudy. On the first valved induced her to take a place in his company for four weeks, but then his family refused to tolerate this venture any longer and he returned tome. Miss Barnett replaced her in the company for four weeks, but then his family refused to tolerate this venture any longer and he returned tome. Mr. Bergen made a great success in had a prominent role in "Take It Oily in "The Whitriwind."

Born Tone" at Casine.
